Operator Comment: Had meeting w Tom Hoak at enforcement - We agree the native grasses have not taken hold. We asked that Chris Sanchez be asked to take a look and offer advise as to what we can do. Ripping and planting in the fall is not a viable solution. The area was ripped, contoured, planted and stabilized in summer or 2022. We have responsibility for a portion of this parcel and were surrounded by weeds. That's what grew. The project is

obviously incomplete however, we need some advise on how to get to an acceptable solution. OCRRECTIVE ACTION COMPLETE is the only way to respond to this . IT IS NOT COMPLETE!
