Comment: T/A. Surface Casing has been drilled. Form 5 was received on 4/23/2020  
Confluence has suspended drilling operations in order to evaluate the economic viability  
of horizontal development in this area prior to continuing the Silverton program. The  
anticipated date of resumption of drilling is TBD pending the results of Confluence's  
economic analysis. Confluence will comply with all bradenhead and MIT testing  
requirements during the suspension of operations.
