Inspection Photos

Location Name: STATE-66N89W 15NWNE

Location ID: 316746

Photo 1. Photo taken from the Location entrance on the west end of the site, facing east. Photo provides an overview of the Location.

Photo 2. Photo taken the entrance of the Location, facing northeast. Photo illustrates that not all areas have achieved uniform vegetation across the Location.

Inspection Photos

Location Name: STATE-66N89W 15NWNE

Location ID: 316746

Photo 3. Photo taken from center of Location, facing southeast. Lighter vegetation (red arrow) seen in photo is Kochia, and Undesirable Plant Species not reflective of the reference area vegetation. Location is not progressing towards a uniform, desirable perennial vegetative cover, and additional reclamation efforts are required.

Photo 4. Photo taken from the eastern area of pad, facing south. Photo illustrates dense patches of undesirable plant species, circled in red (kochia).

Inspection Photos
Location Name: STATE-66N89W 15NWNE
Location ID: 316746

Photo 5. Photo taken from entrance of Location, facing access road towards the southwest. Perennial vegetation is failing to establish in the tracks. Compaction issues likely exist.
