<p>ECMC Audit Report Summary On Tuesday 12/17/2024 at approximately 12:50 hours, I, Inspector Tom Peterson, conducted an on-site inspection at the PDCE Five Rivers K 18-69 HN API #123-38069 in Weld County, Colorado. While there, I observed that the wellhead sign was not posted. During this inspection the following possible compliance issues were observed: Rule 605.d. with a corrective action date of 3/21/2025. A follow up inspection on this site needs to be conducted to ensure the compliance issues have been corrected to comply with ECMC rules. This is a summary of the inspection report.</p>	petersont	12/17/2024
