Dear Linda Blehm & David L Drake Trust,

By the form of this letter, Bayswater Exploration and Production, LLC is notifying you of the pending re-plug and re-abandonment of the above-referenced well, which is located on your property. A notice of abandonment will be submitted to the Energy and Carbon Management Commission (ECMC). Upon approval of this notice by the ECMC, work will commence to re-abandon this well.

It is Bayswater's desire to obtain permission to enter your property, locate the well, and re-plug and abandon the well. Further, Bayswater intends to return the property to the state of which it was prior to any re-plugging activities.

By signing this letter you are granting Bayswater access to complete the above mentioned operations.
