<p>THIS IS A FOLLOW UP INPECTION TO PREVIOUS INSPECTON DOC#: 714200912. All previous corrective actions assigned to this location have not been resolved. All previous corrective actions assigned to this location have been re-assigned to this location with their original corrective action dates. No new corrective actions were observed at the time of re-inspection. Please review my findings below.</p> <p>ECMC Inspection Report Summary WEATHER CONDITIONS: cloudy, approx. &gt;1" of snow On Tuesday, February 11, 2025 at approximately 1045, I, Inspector Brittani Santistevan, conducted an on-site inspection at JACK C. NOEL UNIT #2 (KP Kauffman Company, Inc), at location ID: 318645 in WELD COUNTY, Colorado. While there, I observed a shut-in wellhead. During this inspection the following possible compliance issues were observed: 1. It appears the wellhead sign is damaged and not legible. Replace sign to comply with Rule 605.g. (Corrective Action Date: April 16, 2024) See attached photo #1. 2. It appears to be debris and dead vegetation surrounding wellhead. Comply with Rule 606. (Corrective Action Date: April 16, 2024) See attached photo #2.</p> <p>A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of inspection report.</p>	santistb	02/11/2025
