<p>ECMC Inspection Report Summary WEATHER CONDITIONS: sunny, dry ground On Thursday, March 6, 2025 at approximately 900, I, Inspector Brittani Santistevan, conducted an on-site inspection at GREEN USX EE 13-07 (Noble Energy, Inc), at location ID: 415676 in WELD COUNTY, Colorado. While there, I observed a temporarily abandoned wellhead. During this inspection the following possible compliance issues were observed: 1. It appears to be dead, overgrown vegetation around the wellhead fencing. See attached photo #3-5.</p> <p>A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of inspection report.</p>	santistb	03/06/2025
