Comment:

that the two-track access road be left as-is during and after KODA's planned operations at the wellsite to allow continued access to their livestock/grazing operation. The entryway and gate to the two-track access road were installed by KODA. The Surface Owner(s) would like to keep the entryway, gate and two-track access road in place as it is an upgrade to their land.

Areas at the west side of the location will be reseeded to promote additional vegetation growth in April, timing based on Surface Owner(s) request. A follow up FIRR will be submitted with photo documentation and description of reclamation activities upon completion.
