Inspection Photos
Location Name: JOHNSON NIVEN U #13-6JI
Location ID: 311490

Photo 1. Looking south down access road. Access road appears to have had reclamation work conducted. Vegetation coverage is low compared to surrounding areas.

Photo 2. Picture taken at the northeast side of location looking across the tank battery and well location. Illustrating ground cover on access road some desirable vegetation has established but spots of bare ground are present.

Inspection Photos
Location Name: JOHNSON NIVEN U #13-6JI
Location ID: 311490

Photo 3. Looking west across the former tank battery. No oil and gas equipment remains.

Photo 4. Looking south from wellbore. The wellbore area has more vegetation establishment than the tank battery and access road. Undesirable weed Kochia is present on location.
