Location Name: WILLIAM WETHINGTON GAS
UNIT #1
Location ID: 318101

Photo 3. Photo taken from the well location, facing South. See comments under Photo 1.

Photo 4. Photo taken from the well location, facing West. See comments under Photo 1.

Inspection Photos
Location Name: WILLIAM WETHINGTON GAS
UNIT #1
Location ID: 318101

Photo 5. Photo taken of the tank battery location, facing Southwest. Photo illustrates that the tank battery location meets Rule 1004 reclamation standards.

Photo 6. Photo taken of the well location. Photo illustrates that some perennial grass vegetation has established at the well location, but vegetation does not meet Rule 1004 reclamation standards. Refer to reference area conditions in Photo 9.

Inspection Photos
Location Name: WILLIAM WETHINGTON GAS
UNIT #1
Location ID: 318101

Photo 7. Photo taken from the access road, facing West, away from the location. Photo illustrates evidence of disturbance from oil and gas operations remains along the access road. Google Earth aerial imagery also shows that access road was not reclaimed to Rule 1004 standards.

Photo 8. Photo taken from the access road, facing North. See comments under Photo 7.
