

Final Reclamation Inspection

May 15, 2025

Operator: NOBLE ENERGY INC - 100322

Location ID: 329221

Inspection Document #: 718800337

Weld County, CO

Katelyn Mitchem
Reclamation Specialist, ECMC

COLORADO

**Energy & Carbon Management
Commission**

Department of Natural Resources

Inspection Photos
Location Name: HSR BARBOUR #4-7
Location ID: 329221

Photo 1. Photo taken from the well location, facing North. Photo illustrates final reclamation has taken place, but cheatgrass (*Bromus Tectorum*) is present across the site and patches of bare ground remain.

Photo 2. Photo taken from the well location, facing East. See comments under Photo 1.

Inspection Photos
Location Name: HSR BARBOUR #4-7
Location ID: 329221

Photo 3. Photo taken from the well location, facing South. See comments under Photo 1.

Photo 4. Photo taken from the well location, facing West. See comments under Photo 1.

Inspection Photos
Location Name: HSR BARBOUR #4-7
Location ID: 329221

Photo 5. Photo taken of vegetation at the well site, facing West. Photo illustrates that cheatgrass (*Bromus tectorum*) is present across the location and is a List C noxious weed species.

Photo 6. Photo taken of the access road, facing North, away from the well location. Photo illustrates that final reclamation has taken place and vegetation has established. However, cheatgrass is present across the access road and must be managed per Rule 1004 standards.

Inspection Photos
Location Name: HSR BARBOUR #4-7
Location ID: 329221

Photo 7. Photo taken from the access road, facing south. See comments under Photo 6.

Photo 8. Photo taken of the tank battery location, facing South. Photo illustrates that the tank battery remains in use for another TA well site.

Inspection Photos
Location Name: HSR BARBOUR #4-7
Location ID: 329221

Photo 9. Photo taken of the reference area, west of the well location, facing South. Photo illustrates perennial grass vegetation dominates the site, however there is some cheatgrass (*Bromus tectorum*) encroachment across the reference site.
