The area where land owner equipment is currently stored on pad was previously permitted as an allowed use by ECMC. As noted in BMP/COA #1 on page 7 of 11 of the attached, approved Form 2A: "This pad was planned in

Operator Comment: close cooperation with the landowner in order to take advantage of using an area that is already planned to be used for industrial purposes." Further, the approved Form 2A also includes by incorporation the Surface Use Agreement (SUA) noted as document #400529170 which is also attached. This SUA (dated November 21, 2013) specifically notes that "... Surface Owner and WPX agree that Surface Owner intends to develop the surface of the land in the future and the areas on the attached Exhibit "A" that are identified to be left un-reclaimed shall not be recontoured and/or reseeded and shall be left bladed and graveled by WPX." This agreement to leave this area as un-reclaimed and available for future use by the surface owner was approved by ECMC on May 6, 2014. This area continues to be used by the surface owner in a manner that is consistent with the uses previously approved by ECMC.
