

**Operator: HIGHPOINT OPERATING CORPORATION**

**Location Name: NEELY-N39N17W 18SWSW**

**Loc ID: 322140**

**Inspection: 714002182**

**CA:** Location records indicate that the Neely 13H-18-39-17 Flare, Frac and Drilling pits Facility's (298481, 298483, 298484) are still active and have not received closure. The reclamation status for this location will remain in-process pending closure of active pit facilities. Contact area EPS (Jason Kosola) for pit closure requirements

**CA Resolution:** Civitas is working to secure approved access to the Neely-N39N17W 18SWSW location. In the meantime, a Form 27 (doc# 404242063) has been submitted detailing the upcoming pit assessment.
