FIELD OPERATIONS NOTICE

The Form 42 shall be submitted as required by Rule, Notice to Operators, Policy, or Condition of Approval.
A Form 42 Update shall be submitted to revise the scheduled date or time on a previous Form 42 - Advance Notice of Field Operations.
A Form 42 Update must be for the same well, location, or facility and for the same Field Operation as a previous Form 42.

NOTE: Operator's Contact for Advance Notices of Field Operations should be available 24 hours a day, 7 days a week and should have the most current scheduling information for the operation. Operator's Contact for other notices should be able to respond to questions regarding the reported information.

FLOWLINE PRE-ABANDONMENT - 30-day noticeOn-Location Flowline will be removed on this date: 07/31/2025

Is the estimated duration of the Flowline Abandonment operations for this Location anticipated to last for longer than one day? Yes If YES, briefly describe the planned activities and the estimated duration of these operations:

Abandonment may take up to one week. Flowline is co-located with other active flowlines. Flowline will be abandoned in place, risers on both ends will be cut below grade and tracer wire will be installed at the facility equipment. Upon abandonment of final well, all on-location flowlines will be removed from location.

I hereby certify all statements made in this form are, to the best of my knowledge, true, correct and complete.
