Comment: The wellbore area does not meet final reclamation standards. The well appears to be located under an unused road. The road dead ends at a fence on the north side of the property. A small depression is present around the wellbore area. See attached pictures.

Corrective Action: _____ Date _____

Inspector Name: Dunnam, Anthony

Reclaim the road and wellbore area according to Rule 1004 standards. Remove gravel, decompact to a depth of 18 inches and establish vegetation with total perennial, non-invasive uniform plant cover of at least eighty (80) percent of reference area levels.
