General Comment:

On 6/30/2025 Reclamation Specialist Corey McDonough conducted a final reclamation inspection at Kinder Morgan's Butler Pool Unit Location in La Plata County, Colorado.

This is a follow up inspection to inspection doc # 693903581 Any Corrective Actions from previous inspections that have not been addressed are still applicable.

7/15/2025- This inspection was originally submitted to Kinder Morgan CO2 CO LLC on 7/11/2025. This FIR is being updated in response to Factual Review Request #404277705 stating "Operator does not own or operate the location". After review, it has been determined that "Kinder Morgan Inc. #47765" acquired El Paso Natural Gas (Operator Nos. 26600, 26601; Doc. Nos. 2560702, 2560701), and is therefore the correct Operator responsible for the Location.

During the inspection the following compliance issues were observed.

- Remnant Concrete, Above ground well marker remains in a manner that is inhibiting surface cultivation and agriculture.

Refer to the "Final Reclamation" section of this inspection report for additional details.

Refer to the photo-documentation of the observed compliance issues attached to this report.

Comment: Pursuant to O&G Rules at the time of plugging and abandonment, and current rules, the abandoned well markers are to be installed in a manner that does not inhibit surface cultivation and agriculture.

Per the Surface Owner, the abandoned well marker and remaining concrete and wood debris are interfering with field cultivation, and requires removal.

Inspector Name: Mcdonough, Corey

Corrective Action:	Well marker needs to be re-installed in a manner that does not interfere with surface cultivation and agriculture within the field. Concrete and any other remaining debris within the project requires removal.	Date
